## INSTRUCTIONS FOR COMPLETING YOUR WORKSHEETS

---

---

2. Complete all the worksheets attached to your packet.
3. Write the courses you will be using to satisfy your degree requirements in the column labeled COURSES. Please list ONLY those courses used to satisfy your requirements.
4. Write the grade you received in the GRADE column. Please note, transfer credits are denoted by the letter "T". It may appear as "TR" or, it may be a "T" and the grade you received in the course – example "TA". Please put whichever is appropriate in the GRADE column.
5. Write the number of credit hours earned in the HOUR column.
6. Area IV / A-F (semesters) refer to your freshman and sophomore level major courses if applicable. Please consult your college catalog for specific requirements for your major and degree.
7. All baccalaureate candidates must complete a worksheet covering the core curriculum and Area IV, or A – F under semesters.
8. If you have not yet taken the course, please indicate this information in the FUTURE/COMMENTS column. For example, if you will be taking ACCT 2201 during the Spring Semester '07, put ACCT 2201 in the COURSE column and SP '07 in the FUTURE/COMMENTS column. The purpose of this is to make sure that you are taking the correct course and if there is a problem, we can correct the problem before it occurs. You do not need to notify the Registrar's Office if the semester in which you plan to take the course changes.
9. Make a **copy** of your worksheet **before** you turn it in to the Registrar's Office. The Registrar's Office will not be able to provide you with a copy, and the summary you receive back will not make sense unless you have your worksheet that you can refer to.
10. You must have an approved course substitution form on file in the Registrar's Office if you will be using any course other than what is listed in the catalog for your major. Please consult with your advisor regarding course substitutions.
11. What do I do if I have already received a graduation evaluation but I did not graduate in the semester that I initially applied? If you kept a copy of your worksheets, all you need to do is make another copy and update that to reflect your current status. Submit the new copy to the Registrar's Office. If you did not keep a copy of your worksheets, it will be necessary for you to complete a new set.

**Please return the attached graduation application and worksheets to the Registrar's Office (located in the Student Center, Room 216) by the application deadline.**
